

Show Camp

July 13 – July 17

August 17 - 21

11 AM-5 PM

Show Campers are serious riders, aged 9 to 16, who have some show experience. Show campers are assigned a horse to ride, care for, and prepare for an off-campus horse show. Campers enrolled in the show camp session are also welcome to use their own horse. In addition to spending time caring for her show horse, each show camper has two daily riding lessons.

Campers will also learn how to prepare for a show: bathing, clipping, wrapping, conditioning, lunging, necessities of transporting horse and packing for show. They will also learn the different classifications of divisions, registering, how to read courses, and how to “work” the ring.

The director is happy to discuss a potential camper's eligibility for this program if you are unsure if she/he meets the criteria. Interested parents may contact Samantha Gardner at 973-725-3562. Samantha personally works with the show campers during the session.

Show Campers will participate in a local show:
The transportation of horse, horse lease, tack and coaching is included in show price. Registration fees at show are not included.

Riding is more than just getting on a horse, there is a lot of work in taking care of horses and equipment. Our focus is to teach campers the full responsibility of horsemanship both on and off the horse.
